## Health Insurance

You must prove that you have full coverage through May 2011 before acceptance into The Rock Global Internship. The Rock Global Internship will not be financially responsible to cover doctor appointments, hospitalization, etc.

## Finances

You must have sufficient funds for personal expenses during the program. \$20 in US currency per week is suggested. If you have outstanding debts, this must be discussed with Intern Leadership to see if a payment schedule is feasible. You will be unable to pursue full-time outside employment during the nine months. Therefore, it will be difficult to pay "old bills" during your stay in The Rock Global Internship. If you are unable to follow through with your required tuition payments you will be dismissed from the program with no refund.

## Relationships

The Rock Global Internship is only accepting single individuals. No dating, courtship, etc. is permitted during the nine months. This is to ensure that your stay in The Rock Global Internship is set aside for Jesus alone.
